The **House of Magic** presents Peter Samelson's **The Speakeasy Set – PLUS!** — Peter's show from **Speakeasy Magick** in NYC — practical, hard-hitting Magic and the Theory beneath it. Material you **will** perform! Plus NEW Material from his upcoming 2026 European Lecture Tour.

**Jamy Ian Swiss:** Peter Samelson might just be the most influential magician you've never heard of. He is a modern maestro.

**Kevin James:** Peter Samelson in my mind is exactly what all magicians should strive to be. He is clever, inventive and has a keen sense of how to make an audience care.
